SKILLS

Skills Accelerator Program

Missouri

gener8tor Skills Accelerator is a virtual program that provides skills training and career preparation for job seekers and employed individuals looking to upskill in their current role. Our program adapts to your needs, helping you build the skills necessary for today's dynamic workforce.

gener8tor Skills Offers:

- ⚡ Self-paced, virtual curriculum from Microsoft and LinkedIn to learn skills for in-demand jobs and the potential to earn industry recognized credentials
- ⚡ One-on-One career coaching & long-term job placement support
- ⚡ Weekly live networking and learning events with industry experts
- ⚡ Resume, cover letter and LinkedIn profile coaching
- ⚡ Job interview preparation including mock interviews

Program Cost: \$3,500 + Exam Fees
